

# Aussie<sup>™</sup> Hervey Bay

## lunch with Aussie's John Symond

John Symond is arguably one of Australia's favourite Aussies, and he will be visiting Hervey Bay on 13 November 2009 for the opening of Aussie's new office on Boat Harbour Drive, Pialba.

As part of his visit to the Bay, John will be joining us for lunch as the Chamber's Keynote Speaker and will share stories of his amazing life journey with us.

John describes his life as a typically Australian one – a happy childhood in Brisbane and Sydney's west, a near miss with financial failure after the 1987 crash and subsequent emergence as one of Australia's most inspiring businessmen.

### 'One of Australia's most inspiring businessmen'

As Executive Chairman of Aussie, John Symond is widely credited with bringing competition to the Australian home lending industry, forcing the banks to drop their mortgage interest rates and lifting their service levels.

Aussie has grown to become Australia's leading mortgage broker, with a loan portfolio now worth close to \$30 billion and 850 mortgage advisers in both city and country areas, following the acquisition of Wizard Home Loans earlier this year.

In conjunction with Aussie Hervey Bay, the Chamber is extremely proud to present Aussie's John Symond, and we look forward to you joining us for lunch.
